Library Arts and Crafts Show

The Craft Show that has become an annual event of the summer at the Mattapoisett Public Library drew many people on Sunday, August 20th. Our cover and photos inside are a sample of the exhibitors. The show is unique in that most of the people are actively engaged in demonstrating their art or craft.

At left on the cover is a new exhibitor, Regina Petrutis of West Hyannis who burns intricate designs on ordinary wooden utensils making them extraordinary works of art (similar to the egg decorating done by Russians). Her steady hand, the result of years of practice, follows a faint sketch on the object and the result is enhanced by a stain finish.

Top right - Ralph and Phyllis Washburn of Marion showed a series of marvelous photographs taken in the harbor of that town of a wild mute swan, Sampson, who has lived winter and summer in Sippican Harbor for more than 25 years and developed a unique relationship with the Washburns. They, over the years since 1983, have formed a caring relationship with Sampson and with 8 other wild swans who have given their trust to the Washburns to an amazing degree. This long relationship has resulted in some beautiful photographs taken by Mr. Washburn and they displayed them to an admiring audience all day.

Lower right - Andrea Scofield with a folding gallery showed her fine New England watercolors set off in antique frames. Ms. Scofield is from Northboro, MA.

The September Birthstone

SAPPHIRE

The symbol of

Truth, Sincerity and Faithfulness.

The Persians believed the earth rested on a Sapphire whose reflection gave color to the sky. In the Zenzkar mountains, home of the famous Kashmir Blue Sapphire, villagers used these hard blue gems as flint to make fire.

While most people think of a Sapphire as blue (the "Blue Velvet" Sapphires being the most prized of all), actually the Sapphire comprises all of the highly colored and transparent varieties of the mineral Corundum except the Red, which is called Ruby. Sapphires range from white to near black, through all the shades of Blue, Violet, Yellow and Green, and the Star Sapphires, with their six rays, are favorites of many.

There is a fascination in the infinite variety of Sapphire shades and colorings and in the fact that one gem may appear entirely different under different kinds and degrees of light.

While the deep blue natural Sapphires must be reserved for the few who can afford them, scientists have added their art to that of nature so that beautiful sapphires would be available to all. Synthetic Star Sapphires rival the natural gems in appearance and are an outstanding achievement and less expensive than the natural gems. They are chemically identical and structurally similar, and have the same degree of hardness as the natural. The star asterism is particularly sharp, and the color is an ideal deep blue.

Union Employee Practices

MATTAPOISETT SELECTMEN'S MEETING
AUGUST 22, 1989-by VIRGINIA MORGAN

Following an open discussion with Town Counsel and department heads with union employees on personnel practices, Selectmen went into executive session with the Board of Health members.

Present were Highway Surveyor Wesley N. Bowman, Board of Health members Daniel C. Lee and Evelyn Ellis and Water Commissioners Clifford D. Tripp, Chairman, Donald C. Wood and Charles A. Morgan, and Town Counsel Donald J. Fleming.

Town Counsel explained the town joined the union and was certified December 3, 1987 by the Labor Commission. The Labor Department says there can be only one bargaining agent for the town no matter how many departments are involved. Any day-by-day changes in wages, hours or other terms of conditions of employment must first go the Selectmen. The Selectmen then go the agent and the union.

Mr. Fleming continued, policy changes and emergency changes such as those for a hurricane will not be affected. It also does not include reprimands or day-to-day process. Changes cannot be made without going to Selectmen, then the agent. The employees must give up something; they must negotiate in good faith. The town has to bargain to an impasse. The union has to have a reasonable length

Highway Surveyor Wesley Bowman said his workers are uptight about raises because of the budget cuts. He also asked about his working on a weekend with Water/Sewer Superintendent William T. Nicholson on an emergency. How does this stand, asked the Surveyor. Counsel said "we will have to talk about this internally before making a conclusion or notifying the union."

The executive session was held with Town Counsel and Board of Health members to discuss a labor strategy. No votes were taken nor any decisions reached, said Selectmen Chairman Bernard F. Talty. Members of the Board of Health had no comment on leaving the meeting.

In other business, Selectmen:

TOOK UNDER ADVISEMENT a proposal from Mr. Robert E. Black of REB Associates to conduct a professional review of the Brandt Island Development impact statement. The fee for his work would be $500. for an estimated minimum of 20 hours.

Mr. Black met with Selectmen and Ms. Dianne Perry of the Brandt Island Improvement Association. The association requested the Selectmen obtain an impartial experienced person to review the Keller Company's proposal of the housing golf course project. Mr. Black would verify documents prepared by Keller Company for the environmental impact study and assist the town in determining the adequacy of the document in assessing the probable environmental impacts resulting from site development, its value in addressing the issues that are import-

ant to the town, and its consistency with other state and regional policies for management of the coastal zone. No attempt will be made to duplicate their field work.

Chairman Talty noted the Board is in favor of the Keller project. The proposal was placed on hold as the comment period to the state ends on August 25 and Mr. Black cannot answer the comments by that date. It was noted by Ms. Perry that a second comment period would be held later with a 30-day additional comment period. Selectmen will consider Mr. Black's proposal at a later date. Ms. Perry said the association is pleased with Keller Company's cooperation. She said Ron Davis, a Keller associate, will be coming to speak at an association meeting.

RECEIVED A REQUEST from Keller Company, Inc. for access to cross the abandoned railroad right-of-way owned by the town.

Selectmen agreed the request will have to go to town meeting for approval, after Keller Company meets certain conditions. It was noted if the sewer lines had to be dug up the people wouldn't be able to cross the road. Chairman Talty said, "We could support the request, but we need to know its usage."

The Keller project requires an on-grade roadway crossing and a sub-grade utility crossing of that right-of-way to connect a parcel of land north of the right-of-the way with the rest of the planned residential subdivision.

RECEIVED A LETTER from Mr. Robert W. Sorrenti, a summer resident in the Brandt Beach area, asking that three

areas of concern be addressed regarding the potential impact from the Keller Company project. Namely, impact on traffic flow to the development, impact on drinking water quantity, quality and consistency, and impact on coastal waters and water inhabitants. He does not believe that sufficient planning has been undertaken to consider the potential impact of the additional traffic on the area.

Chairman Talty said he will meet with Tibbetts Engineering Corp. to discuss a traffic impact study on the Brandt Island area and its effect from the Keller Company's project.

NOTED THE senior van is about six inches too tall to fit into the former police garage which housed the town ambulance. Selectman John DeCosta checked the height following a request from the Council on Aging to house the van in the now empty garage.

AGREED TO SUPPORT the Town of Brookline to join them in a suit against the Governor challenging his authority to take certain actions. The letter reads,

in part: "It is inconceivable to us that the Governor can withhold local aid funds after the Legislature unanimously overrode his veto. Then, to take it upon himself to ignore the legislatively approved needs-based distribution formula and arbitrarily reallocate the funds to give proportionately larger shares of aid to several of the more politically powerful cities, is indefensible. Your community was among a total of approximately 300 communities whose aid was disproportionately cut."

The legal action states, "A group of communities has commenced a Class Action in the Superior Court of Suffolk County to ensure that the full allocation of state aid approved by the legislature is distributed in accordance with the usual and established distribution formula."

Selectmen noted there will be no cost to the town to join the suit,

WERE INFORMED by Board of Assessors' Chairman John Gibbons that the Assessors have been authorized by the State Department of Revenue to issue estimated tax bills for fiscal year 1990 and require payment of such tax. The Assessors voted at their August 17th

meeting to request such authorization based on the following reasons: The Selectmen have assured the Board of Assessors that no further special town meetings will impact the setting of the fiscal 1990 tax rate. Also, in-house, there is a changeover of town accountants and the books should be closed sometime in September.

HEARD FROM Ms. June Mendell, Executive Director of Mattapoisett Housing Authority, that the State Executive Office of Communities and Development (EOCD) has closed out the authority's contract for financial assistance for housing sites under the 705 Planning Grant for family scattered sites. The grant period time has elapsed and the authority was unable to secure sites.

The Mattapoisett 689-1 grant for special needs housing will remain in place. The review process will be completed in September. Funds from the state are limited at this time; however, the EOCD is working for additional public housing funds. They urged Mattapoisett to apply later.

RECEIVED A REPORT from Burk Ketcham Associates on progress to August 14th in conjunction with the Planning Board Land Use Plan. They have worked on watershed protection with the state DEP and SRPEDD regarding aquifer protection proposals of the Mattapoisett River Watershed Advisory Committee; discussed with Water Superintendent William Nicholson re-delineation of aquifer protection areas; worked on a draft of Land Use plan Map for the Planning Board; worked with Town Clerk Lois K. Ennis on procedures to inventory seasonal housing; worked with the Planning Board on proposed zoning

changes.

VOTED TO APPROVE the change in the Special Detail section of the Mattapoisett Police Brotherhood contract. The third party work does not include municipal (Mattapoisett) work.

Among the changes are: Special detail (or third party work) shall be given to full-time police officers. If full-time officers do not take the work, then the work will be offered to part-time police officers. Assignment shall be on a rotating basis. Rates for special detail work shall be for 1989-1990, $20. per hour, with a minimum of four hours. All hours over eight hours or for all hours worked between 12 and 8 a.m. shall be paid at one and one-half times the applicable rate. If the police officer is scheduled for a special detail and the third party fails to give the officer 24 hours notice that the detail has been cancelled, then the third party will be required to pay the officer as if he had worked eight hours of the detail. Other conditions pertain to the officer selection process for special detail work.

Center School's New Principal

At Mattapoisett's Center school the opening day of Wednesday, September 6th, is getting closer with the obvious signs of shining waxed floors, teachers coming and going making classroom preparations, and the new principal in his office meeting staff and parents and learning the ways of a new school system.

To Mr. John F. Murphy, who began his duties on July 4th, opening day at school is not a new experience having been both a teacher and administrator in various capacities for over 10 years. Mr. Murphy replaces Mrs. Katherine Kozicki who resigned.

Coming to an old school, parts of which date to 1898, the principal said the school has "tremendous character with historical significance. It is a credit to the two custodians, Maurice 'Mudgie' Tavares and Gordon Coe, that the building is in excellent condition for its age."

Mr. Murphy met a week ago with the officers of the Parent-Teachers' Club and has met many parents since then and all have given him a warm welcome. He has attended two school committee meetings which, he says, have been mostly concerning the budget cuts.

Having stepped into the Mattapoisett School System during a budget crisis, Mr. Murphy says everything is progressing normally at Center School. He noted his first month was spent studying the budget. He said he has met with the staff and invited them to suggest cuts. "I believe the budget crunch is behind us now. Even though there were cutbacks, we will have to live with the budget and go with what we have." He is eager to reassure staff and parents that although there have been cutbacks, the school committee has been able to maintain the integrity of all programs.

Monday through Friday 9 to 5:30; Saturday 9 to 5

Before coming to Mattapoisett, Mr. Murphy was Housemaster for Grades K-3 at the Sandwich Elementary School in Sandwich. As Housemaster he had direct responsibility for administrating and coordinating programs for 33 classroom teachers and over 800 students. "In Mattapoisett the numbers are much smaller, 14 teachers and 330 students. This will give me the opportunity to know the students personally as I am a people person. I am looking forward to knowing the students personally and to an open door policy for parents, teachers and students."

Center School is well-known for its successful "volunteer in the classroom program". When asked if he was familiar with the volunteer program he said he had one in Sandwich. "I am in full support of this program and plan to continue it full strength here."

Prior to his position in Sandwich, Mr. Murphy taught Grade 3 and was a Special Needs/Resource Room Teacher at West Elementary School in Plymouth; Title I Remedial Reading Teahcer in the North Adams School Department in North Adams. He holds teaching certificates in Connecticut, New Hampshire and Rhode Island and has received many awards in his professional capacity. He has also done part-time work in adult basic education, including extended association as education coordinator/administrator with the Plymouth County House of Correction.

Mr. Murphy was nominated for the 1988 National PTA's Hearst Outstanding Educator of the Year Award; awarded the 1987-88 "Partner in Education Award"

from Sandwich Elementary School PTA, and 1988 "Public Service Award" from the Massachusetts Association for the Advancement of Individual Potential and was elected to the Board of Directors of that association.

Mr. Murphy has a Bachelor of Arts Degree in Special Education and Elementary Education from Boston College, a Master of Education Degree in Counseling from Bridgewater State College, and a Certificate of Advanced Graduate Studies in School Administration from Bridgewater State College. He enjoys working with people of all ages, in all kinds of educational, recreational, and social activities. Personally, he enjoys reading, music and sports and outdoor activities.

With the budget cuts, he said he realizes new programs must be put on hold, but "I have ideas for a science program including a non-competitive fair and presentation for the students and family, so that the parents can see what their children are doing, and to get them involved."

The Murphy family resides in Sandwich and has no plans to move to Mattapoisett. Mrs. Murphy teaches first grade in Plymouth. Their eight year old daughter

GOOD THINGS
Come to THE SHUTTERBUG
in Small Packages

Flashes built into compact cameras offer convenient lighting, but are never quite powerful enough or wide enough to cover all your picture needs.

Morris, the original slave flash maker, has come up with an ingenious little flash that is big in power and small in size. With the Morris mini Slave you can put the light where you need it, with no cords attached!

The mini Slave fires automatically when your camera's flash goes off. It can be used for wider coverage on group portraits, adding more light so you can shoot pictures farther away, or for more creative control, like side or back-lighting. Because of its small size, the mini Slave can be easily hidden behind (or even in!) objects to add light to those "hard to reach" locations. Made of a translucent plastic, the mini Slave can still sense your camera's flash and fire in perfect synchronization.

Sippican Choral Society

SINGERS WANTED

The Sippican Choral Society extends an invitation to membership to anyone who enjoys group singing, sings on key and can attend regular Monday evening rehearsals.

The chorus is beginning a year-long celebration in acknowledgement of its 25th anniversary. Organized in 1964, the group has performed at least two concerts annually, including works by many of the world's great choral composers (past and present) and lighter works from the musical theater. Peter West of Mattapoisett is returning as conductor.

The first concert of the season will be the annual Christmas Concert to be held on Sunday, December 3rd, in the Wickenden Chapel at Tabor Academy in Marion. Two works by Bach, Cantata #1 "How Brightly Shines the Morning Star" and Christmas Cantata, both with soloists and orchestra, will anchor the program, which

eye talk

Q. When should I take my child for a first vision examination?

A. Every child should have a thorough vision examination by age three, unless noticable symptoms, like crossed eyes, appear earlier. A child does not have to know the alphabet or be able to read.

Your optometrist can check your child's ability to see clearly far away and up close; to change focus from far to near and back; and to use the two eyes together as a team.

The optometrist can also detect any tendency toward such vision problems as nearsightedness, farsightedness or astigmatism. Treatment to prevent or slow these problems may be started.

In addition, this first examination is important in diagnosing a "lazy eye" early, when treatment is most effective.

Your optometrist can also determine if your child's vision skills are developing normally and provide help if they are not.

Landfill Decision Discussion

MATTAPOISETT BOARD OF HEALTH
OPEN MEETING - by VIRGINIA MORGAN

The third of four open meetings conducted by the Board of Health was held last Wednesday to inform the public of its options regarding the future of the town's landfill. The question is - Do you (the voters) want to continue the landfill and continue putting money into it or do you want to go with Energy Answers Corp. (EACO) for a four to five year period?

Attending, in addition to the about 15 townspeople, were Board of Health

members Daniel C. Lee and Evelyn Ellis, Ron Michalski, Tighe and Bond consulting engineer for the landfill project, and Mr. John Baynard, vice-president and general manager of EACO, and Mr. James Clary, operations manager for EACO.

The tone of the meeting took on a different aspect when EACO's representatives were allowed to state their case a little more clearly, said Health Board member Lee.

Mr. Lee reminded townspeople the last meeting will be held at 7:30 p.m. Wednesday, August 30th, in the Town Hall Conference Room before a vote will be taken at a September or October special town meeting.

Mr. Michalski explained Energy Answers Corp., affiliated with SEMASS, has proposed to operate over a period of four to five years, that part of the town's landfill (footprint part now being used); to build a convenience area for townspeople to deposit items; to cap the footprint area and to install a liner in the unused portion of the landfill for the future use of the town. The estimated cost with EACO'S operation is a $135,000 cost to the town versus a $1.6 million cost if the town continues to operate on its own. In addition, the EACO representative noted the town could benefit by a potential income of at least $90,000 by accepting waste from the SEMASS plant in Rochester at such times as the plant cannot accept the rubbish.

Health Board member Mrs. Ellis explained the income could be used to

prepare the remaining landfill area. She said, "This is a good opportunity for the town. There is a lot to consider, but the town has to take its head out of the sand. We have to protect the environment. We will have to cap the landfill no matter who does it. We're sick and tired of being in a landfill business."

Mr. Baynard explained, "We provide the services to the SEMASS project. We also provide services to close landfills. We are engineers and not trash collectors. The benefits to the town will be both financial and environmental. The benefit to SEMASS will be as a backup when waste cannot be processed at SEMASS plant. We collect $17.20 per ton in tipping fees from Mattapoisett. We are doing the same proposal in Rochester and the state DEQE has accepted the concept. The traffic on North Street and Route 195 over a five day period will have no more than 15 trucks per day."

Mr. Cleary explained a closure plan would have to be designed that has to be approved by the state Department of Environmental Protection (formerly DEQE). "We also have to get approval to put 250 tons per day in the Mattapoisett landfill from SEMASS. The town generates about 20 tons per day of rubbish. The 250 tons we need to do what is required by regulations to

bring the site into compliance." Mr. Cleary added that there should be an immediate and positive impact on the environment. Tests showed the groundwater in Rochester is in better condition than six months earlier. "We can afford better equipment and can improve the landfill esthetically immediately rather than with inadequate equipment from the town's budget."

The operations manager continued, "Our economics show, yes, we will make some money (much less then persons quoted at last week's meeting) but we are jumping into the liability stream. The superfund law says we are jointly and separately liable for five years after the capping."

A question was asked of the EACO representatives if a performance bond would be given to the town. Mr. Baynard said his company would set up an escrow closure fund. "You can be assured funds will be set aside."

Mr. Michalski explained the reasons

leading up to the state's order to correct the landfill and to the EACO's proposal He noted for the town to do its own capping it would cost about $800,000. Earlier, the town had applied to the state for a $640,000 grant to cap the landfill; state funds are no longer available. He commented that the employee that had been sent from the landfill to the Board of Health as agent has been returned to the landfill. This could increase the cost of operation, the engineer said.

Mr. Lee said, "We cannot afford to operate alone. The Board of Health is worried the state may tell us to cap. Either we go with EACO or provide the Board of Health with overrides of $1.5 million to pay for sloping and capping. All we are doing now is filling a hole."

Mr. Cleary explained present methods and new methods on the drawing board are being devised to recycle many items of trash. For example: bottom ash is being reprocessed and used in concrete products; brush and wood products are going to a Cape Cod facility for processing; a method is being worked on for recycling "white goods" (stoves, etc.) and construction material; also, every load is scrutinized by trained operators several times for hazardous materials. They are disposed of appropriately according to law.

Mrs. Ellis concluded saying there will be a video camera at the landfill and Mattapoisett can have its own attendant for local control.

asked if the townspeople would lose house trash collection. Mr. Lee said the Board will fight on town meeting floor to retain the trash contract. "We were not informed either by the Selectmen or Finance Committee that a recommendation would be made to cut off the contract on December 31, and offer townspeople a private collection on January 1. We learned about it from the press, and a budget was left on our desk last night. We've had no cooperation from town bodies." He added the separation of trash in colored bags for recycling purposes may be done at a later date.

Names for Memorial Service

The Mattapoisett Congregational Church is planning to honor members of the community in the police, fire and rescue departments at a service on October 29th. At the service we will be remembering deceased members of our community who served in these three departments. We have compiled a list of members who have died within the last 25 years (1965-1989). Our concern is that we may have overlooked the name of a person who should be honored. If you have a friend or loved one we should recognize please call Gale Hudson at 758-6407.

Road Race Report, 1989

Overwhelmed may very well have been the theme this year for the Mattapoisett Road Race.

As usual we were overwhelmed with the people of the town and with the cooperation of the town fathers. It was in the finest tradition of Mattapoisett's hospitality.

The number of runners participating in the event was "overwhelming". Never had we had this many; over 600 finished the race. Last year we had under 500. Awesome might be a better adjective.

This increase in numbers put a strain on our personnel and logistics to say the least. Hark back to the days of the start being at Point Connett with a firecracker and 18 runners. This put an awful amount of pressure on the finish line and the results not to mention the number of illegal "bandits" that came across the finish line, really goofing up the results up.

Overwhelmed would describe the computer as well. We thought that it could handle the situation; well it did, finally. Those were the two glitches in the race and the race committee is going to overcome them but we need to enlarge the committee to lighten the load. It's fun and would be more fun if the work could be spread around some. If in-

The race normally gives 14 $125. scholarships to seven high schools in the area. The recipients are chosen by their coaches and their names are submitted to the committee. The recipients must have participated in cross country or track and field to be eligible for the award.

This year the amount of the scholarships has been raised to $200. per recipient because we were "overwhelmed" with the number of runners that turned out.

The recipients are: Dartmouth High School, Nina Horan, Andrew Wheaton; Fairhaven High School, Nicole Andrade, Lee Guillotte; New Bedford High School, Gina DeRossi, Jean Bourgeois; New Bedford Voke-Tech, Paula Barboza, Paula Amaral; Old Rochester Regional, Linda Ferrigno, Ed Jawor; Bishop Stang, Kathryn Rivet, Michael Cowell; Wareham

In the downstairs exhibit area a variety of toys are on show in glass cases. Included are trains, dolls, fire engines, the "Hubley Royal Circus" and mechanical banks.

The antique automobile collection in the replica Shaker Round Barn has a Model T Ford that youngsters and adults can sit in. The steering wheel turns as does the hand crank on the front grill.

Nature trails abound on this 76 acre site. Everyone will enjoy the abundance of trees and bushes, which are all labeled, as well as an Herb Garden, Hosta Display Garden, and both annual and perennial gardens.

In addition to all these attractive features there will be "King Bingo's Surprise", a puppet show which will be performed on the Outdoor Concert Green on Sunday, September 3rd, at 2:00 p.m. by the Puppet Workshop.

Heritage Plantation is 3 miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine Street and the Museum.

Tickets for the day are good for all exhibits and events held on the grounds that day or for an afternoon event. Ad-

HAVE YOU HEARD? HAVE YOU HEARD? Ginny scored big! Brooklyn housewife makes good! The scholars are scurrying after this local summer resident smoked the National Teachers' Exam. Liquor store owners are still scratching their heads, staring at the empty spot on their shelves where the Gin is usually kept. Lessons on the beach, with a twist of lime please. But as the laughter of August fades to the sobriety of September, things come to an end like all good things. So ends the summer of the Narwhol, of Bourbon over easy and the pruning of Pete Rose. Can a "Pete Rose" still be a "Pete Rose?" Until next year when we'll wash dishes to the Big Chill and keep Point Connett awake just a little later and we all sing the Ballad of Pat Murphy once again.

Yard Sale- Twice as Much

The Greater New Bedford Mothers of Twins is holding its Second Annual Yard Sale Saturday, September 9th, from 9 a.m. to 3 p.m. at 3 Samoset Drive, South Dartmouth (follow signs on Russell Mills Road). Rain date is Sunday, September 10th. No early birds, please. There will be twice as much children's clothing, toys and baby equipment; also miscellaneous and white elephant sale.

Arts and Crafts Show

The 7th Annual Arts and Crafts Show was held on Sunday, August 20th, because the committee listened to the weatherman's prediction of 100% rain on Saturday.

The fair was a great success and we wish to thank all the people who helped as well as those who attended.

Hope to see everybody next year. Thank you.

Barney Cashman, a man in his 40s, who wants to join the "sexual revolution" before it's too late.

October 13-14 and October 20-21, the long running all music revue "What's a Nice Country Like You Doing in a State Like This?" offers non-stop laughter with its cabaret-styled political satire.

The zany comedy, "Hot Turkey at Midnight", will open November 10-11 and November 17-18.

Theatre One Productions is proud to be able to continue to stage plays that are entertaining and continue to provide the community of the southeastern area with live, quality productions.

Our new season of dinner-theatre offers a hot buffet selection that includes roast top, southern fried chicken, seafood newburg and Swedish meatballs with potato, hot vegetables, coffee and dessert.

Cocktail hour starts at 6:30, dinner is served at 7:30 and the show 8:45. Tickets are $25.00 which includes dinner, show, tax and gratuity. For reservations and information call 947-1880.

Enjoy a delicious meal and live theatre at its best, cash bar and free parking.

There is limited seating. Call Theatre One Productions or mail reservations to TOP's Dinner-Theatre, P.O. Box 1283, Middleboro, MA. 02346.

Antique Auto Show, Heritage

The 17th Annual Antique Automobile Show and Competition, a must for antique car buffs, will be held at Heritage Plantation of Sandwich Sunday, September 17th, at 10 a.m. to 4 p.m., with an afternoon band concert conducted by John Pandolfi from 1 to 3 p.m.

This popular event boasts well over 100 beautiful vintage automobiles, plus a large spectator audience. Although the basic structure of the show has remained the same, there are some changes in the automobile classes. The show now has 7 classes instead of 5. Spectators can vote for their favorite cars in Classes A through E from 11:00 a.m. to 1:00 p.m. Prizes are awarded at 3:00 p.m. and the ceremony is followed by a parade of the winners through the beautiful 76 acres of the Plantation.

The new automobile classes are as follows:

Class A - All cars through 1916 except Model T Fords.

Class B - All cars 1917 through 1927 except Model T. Fords.

Class C - All cars 1928 through 1942 except Model A Fords.

Class D - All cars 1943 through 1957.

HELP WANTED
The Mattapoisett Council on Aging has an opening for a part-time Director. The Council office is located in the Town Hall on Main Street. This is a twenty hour a week position and carries no fringe benefits.
General office skills are necessary and a great telephone personality is essential. The Director will work closely with the Board of Directors and the local elderly population. Sensitivity to the needs of our elders and compassion for them is MOST important.
To arrange for an interview call 758-3758 any weekday between 9 a.m. - 12 noon. A job description is available in the office. WE ARE AN EQUAL OPPORTUNITY EMPLOYER

BARRETT DANCE STUDIO

We have BALLOONS!

Class E 1 - All Model T Fords.
Class E 2 - All Model A Fords.
Class F - All cars 1958-1967 (special interest, for exhibit only with no prizes awarded). Due to the Museum's limited space, Class D and F cars must positively be pre-registered for admittance to the exhibit area.

Cars in all classes must be either well restored or in excellent original condition to be admitted to the show area and must enter under their own power (no trailering). All cars will be subject to final approval by Heritage Plantation for admittance to the show. No commercial signs are permitted to be exhibited on vehicles.

Once again this year the Lions' Club food truck will have a variety of sandwiches, drinks and popcorn for sale.

Red Cross Golf Classic

The 1st Annual Golf Classic of the American Red Cross will be held Wednesday, September 20th, at Bay Point Village and Country Club on Onset Avenue in Onset, MA. Tee time is 1 p.m.

The format will be "team scramble" with four-man teams. Pre-registration is required and must be submitted by September 10th; individual handicap not required. Golf carts are mandatory and are included in the entry fee.

Refreshments will be provided during course play and hors d'oeuvres and cash bar will immediately follow the Golf Classic in conjunction with the Awards Ceremony.

Gift certificates and donations from local sponsors will be among the prizes. A cash prize of $50.00 will be for "closest to the pin" at designated hole. A special prize, a 1989 Buick Reatta, will be awarded to the one who scores a hole-in-one on the first hole during the tournament play, courtesy of Gateway Buick and R.V. Center, Wareham.

The entry fee is $300.00 per team (all inclusive - 4 players); $75.00 per player; teams will be established to accommodate independent players. A sponsorship is $400.00 per team (entry fee four-man team, 2 carts, tickets to cocktail party,

AFFECTIONATE, ESPECIALLY CUTE KITTEN, about 6 weeks old, must have a home soon. We have not been able to find its owners, but the kitten is clean, healthy, box-trained, bright and alert. Doesn't eat much, either - a real low-maintenance, life enriching deal. We can't keep the kitten, and we're heartbroken to know what its fate is if we can't find it a home. Please call Marc or Beth at 758-9514 or 758-2216. You'll be glad you did.

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf Limited Shuttle Bus Service available to the Elm Street garage
